THE AACEAINC SCHOLARSHIP PROGRAM

Scholarships are provided to high school scholars that have demonstrated outstanding academic achievement and meritorious service accumulating a minimum of 200 community service hours. The scholarships are representative of our beloved members in their respective fields of Nursing/Health Science/Medicine; Aviation/ Math and Science; and Library Science/English Language Arts.

The Lifetime Achievement Awards are bestowed upon outstanding individuals who have selflessly made a difference in the advancement of the community. AACEAINC inspires our scholarship recipients to emulate the dedication, service, and leadership of these iconic figures.
